• Owners must submit proof of current up to date vaccinations. Vaccinations include: rabies, distemper/parvo and bordetella for dogs, rabies, distemper and a negative feline leukemia test for cats. If your pet has been titered, you must submit proof of titer and result. No pet will be admitted to Wyatt's Bed & Biscuit without proof of vaccinations. This not only protects your pet, but also ensures good health from neighboring pets. You may mail or fax, or have your veterinarian's office fax vaccination records prior to your reservation.

• Dogs must be on leashes at all times and cats must be in carriers. This includes from your car to the kennel, and from the kennel to your car. This is a safety issue to protect your pets.

• No one is allowed into our grooming or kennel containment area without the permission of or the accompaniment of a staff member.

• We feed Purina brand (One or Pro Plan) dry food for dogs and cats. Boarders are welcome to provide their own food and treats with complete feeding instructions.

• Owners are welcome to bring personal items from home for your pets while they are boarding here, however we will not be held responsible for loss, laundering or damage of these items. Wyatt's Bed & Biscuit will provide all water and food bowls, blankets and beds.

• **Wyatt's Bed & Biscuit strives to be a 'FLEA FREE' facility. Please check your pets carefully for fleas prior to bringing them to our kennel. Any pet that is admitted for boarding that is found to be infested with fleas will be bathed and treated at the owner's expense.**

• **It's a Good Day to Play!** Supervised play time is the highlight of your pet's day at Wyatt's Bed & Biscuit. We require owners to certify that your pets have not harmed or shown aggressive or threatening behavior towards any person or any other dog since all well-tempered dogs are encouraged to play as a group. The staff at Wyatt's Bed & Biscuit knows how to maintain a fun, safe and controlled environment. If your pet displays behaviors that are disruptive or harmful to the group, they will be removed from the group; our boarders' health and safety is our main concern. We will attempt to find them a smaller or more compatible play group or they may have individual play time only. **If your dog has a history of digging out or jumping or climbing fences, PLEASE LET US KNOW. If your dog is an escape artist, he or she will have to be hand walked for exercise at an additional cost of \$10 per day. Wyatt's Bed & Biscuit will not be held responsible for a dog escaping from our fenced play yard.**
